

 AORN *Fox valley chapter*  
#1112

The September 16, 2003 meeting of the Fox Valley Chapter of AORN was called to order by Kelly Hofmann, president at 1925. Kelly opened with a warm welcome to the start of a new year and introduced the officers for this year. At each meeting a binder with information from National will be available for the membership to review. The web site is still a good source for information about the chapter and ways to improve it were discussed.

Chapter goals for the coming year were presented that included the standardization of care, the need to increase our membership (specially our active membership), involving the younger age groups and even reaching out to those in school - both college and high school. Perioperative nurse's week is November 9-15.

The ICORN meeting will be held on October 4, 2003 in Springfield, Kelly will be attending if anyone else would like to attend see Kelly.

The AORN Congress will be held in San Diego, CA March 21-25. Our chapter has six(6) delegates and six (6) alternates. Those that will automatically attend are Kelly as president and Suzette Selig as president-elect. Those eligible to be delegates are Vicky Kuzel, Dorothy Niziolek, Janet Logan, Claire Erickson and Dawn Dormitorio. We will need to elect four of these people as delegates.

Our fund raiser for this fall is a raffle ticket sale with the prizes being \$300, \$200, and \$100, There are also prizes for those who sell the most raffle tickets including a beautiful quilt donated by Claire Erickson. The drawing will be held on November 18th at our regular meeting. The tickets are \$1 each or twelve for \$10.

The minutes were approved as written.

The treasurer's report was distributed and filed for audit.

On the legislative front the bill for RNFA reimbursement is going forward. Please keep a watch on the bill and support it.

The meeting was adjourned at 2010.

Respectively submitted;  
Linda Walter, Secretary
