

The October 15th meeting of the Fox Valley Chapter of AORN was called to order by president, Dawn Kladis at 1745. She welcomed all of our guests (2) and recognized all members present who have their CNOR or FA.

The minutes were read and approved. The treasurer's report was filed for audit.

The president reported that she attended the fall meeting of ICORN. Bill Duffy gave out posters advertising the Chicago Chapter's 40th Anniversary party at Adler Planetarium on November 16th for \$50.

Voting will be done for eligible delegates for congress. We are to vote for three people by e-mailing the webmaster by November 1st. A third forum will be added to the congress schedule and if it is not needed, it will be cancelled. We have sold approximately 160 Chicago pins. It was decided to order 50 pins to sell at the seminar. The Foundation requested a representative from the chapter and Claire Erickson volunteered. A new meeting time was suggested. It was voted on and passed so now dinner will be at 1700 with the meeting to start at 1730. We will host the ICORN meeting at congress which entails setting up a room and paying for it and putting candy on tables.

Some of the speakers for the upcoming congress will be John Nantz as the keynote speaker, Donna Cardillo as an evening speaker, Karen Buchmann as the Jerry Peers speaker, and Ross Perot as the motivational speaker. The black tie dinner will be on Monday and Tuesday will be exhibitors night at Navy Pier with dancing through the night.

The meeting adjourned at 2045.

Respectively submitted;
